

Action Day – July 2nd 2011 report by Robert Brigg

Another warm and sunny morning greeted us and 13 helpers attended the mornings activities.

We split into three groups small group worked on tidying the Harris Garden cutting back dead plants dead heading the roses and weeding the area, the grass was also cut by the contractors and the area looked very neat and tidy by mid morning.

Two other groups tackled overgrown footpaths cutting back overgrown hedges and strimming the path ways.

Another great mornings work by the team of helpers
